Summer Learning Program Overview

Rationale

The Summer Learning Program (SLP) is designed to provide continuity of learning, strengthen core content understanding, and minimize the impact of learning loss over the summer. Research shows the following trends: achievement typically slows or declines over the summer months, declines tend to be steeper for math than for reading, and the extent of loss increases in the upper grades. In response, the Hillsborough Summer Learning Program (SLP) targets the following key areas of focus: elementary literacy and STEM, middle school grade enhancement, high school credit recovery, exceptional student education services, and enrichment opportunities.

Expected Outcomes

Students who participate in SLP will be better prepared for the next school year. This comprehensive PK-12 program will provide for continuity of learning, strengthen core content understanding, and minimize the impact of learning loss over the summer.

Eligible Students

SLP is for students who are currently enrolled in Hillsborough County Public Schools. Eligibility criteria is specific to each program and is included under the program descriptions (see section titled “Eligibility Criteria”).

Enrollment and Registration

The summer calendar begins June 10 and ends August 1, Monday through Thursday, except the week of July 4 which will be a three-day week (Monday, Tuesday, and Wednesday). Program locations and times are listed in this guide and may change based on enrollment and/or student needs. Eligible students will receive an SLP notification letter with specific program details including dates, times, and the assigned school.

Parents will be asked to confirm participation by responding directly to the school program contacts. Upon confirmation of participation, the student will be enrolled in the program by the school. Questions about registration and transportation should be directed to the student’s current school administrator.

Students with disabilities attending an ESE summer learning program will be assigned to a school by district staff based on the student’s summer address. The high school attendance boundary is used to determine the summer site for middle and high school ESE students. Parents will receive a letter confirming the assigned site and program details.

Migrant and English Learner Language Student Support

Migrant students and English language learners are provided additional support to meet the expectations of the program in which they are enrolled at specific sites as determined by need.

Related Staffing and Student Support Services

In order to provide an optimal learning environment, related staffing and services are provided as additional support to meet student needs and program expectations. This includes psychological services, school counselor services, social work services, health services, migrant and ELL instructional support, administrative staffing, instructional support staffing, student nutritional services, and transportation for eligible students within the core and required programs.

Transportation Services

Transportation services are provided for eligible students enrolled in elementary, middle school, and ESE programs that are required for academic benchmarks and/or promotion.

Student Nutritional Services

Breakfast and lunch are provided for all students enrolled in a summer program.

Employment Application Information

SLP positions will be posted on the HCPS Staff Hub beginning in April. The posting will include dates, locations, responsibilities, certification requirements and pay rates.

To apply for a summer position, applicants should complete the 2024 SLP Application online form and directly communicate with the program contact listed in this guide for any questions on the application process. The link to the form will be available on Staff Hub>District Offices>Human Capital>Summer Learning Program. The link may also be requested from a site administrator.

The principal, site administrator, or designee is responsible for hiring. The SLP administrator will communicate directly with applicants and complete personnel transactions for hired employees.

Elementary School Programs

Voluntary Prekindergarten Summer

Program Description	
The Voluntary Prekindergarten Program (VPK) is designed to equip children with skills essential for future kindergarten and school success. The VPK program provides 300 hours of quality instruction with an emphasis on literacy skills and developmentally appropriate curriculum delivered by a certified teacher.	
Eligibility Criteria	
Children who will be entering kindergarten in the fall of 2024 and have not previously used a VPK Certificate.	
Dates and Hours	
Teacher Training: 5/31/2024	Teacher Preplanning: 5/30/2024
First Student Day: 6/3/2024	Last Student Day: 7/24/2024
Student Hours: 7:00 a.m.-5:30 p.m.	Teacher Hours: 6:45 a.m.-5:45 p.m.
Contact Information	
Sandra Show, Supervisor, VPK, sandra.show@hcps.net	

Third Grade Reading Camp

Program Description	
The Third Grade Reading Camp provides reading instruction and interventions aligned to Florida's Benchmarks for Excellent Student Thinking (BEST) for students who have not yet met the third-grade promotion requirements. The program will feature high-interest and evidence-based resources to cultivate interest as students work toward meeting criteria for a good-cause promotion. Assessment at the start of the program will be used to identify areas of strength and opportunities for growth. Students will be placed in small groups for individualized interventions with a focus on phonemic awareness, phonics, fluency, vocabulary, and comprehension. Students will engage in collaborative and independent practice using high interest, quality text, providing opportunities to transfer and apply reading behaviors and increase success in reading grade-level, complex text.	
Eligibility Criteria	
Retained third grade students who did not meet promotion requirements.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/4/2024-6/6/2024
First Student Day: 6/10/2024	Last Student Day: 7/11/2024
Student Hours: 8:00 a.m.-12:30 p.m.	Teacher Hours: 7:30 a.m.-1:30 p.m.

Amanda Newman, Supervisor, Literacy K-5, amanda.newman@hcps.net	

Summer Learning Academy K-5

Program Description	
The K-5 Summer Learning Academy is designed to strengthen core content understanding and foundational skills through a hands-on interdisciplinary experience. Students will participate in small group instruction to increase literacy, math, science, and social studies content knowledge and skills. Weekly themes will provide context and relevance for the application of academic skills to solve real life problems. The STEM content will include science standards to engage students in science and engineering practices such as: asking questions; defining problems; developing models; carrying out investigations; using mathematics, information, and computer technology. The Social Studies content will focus on key principles of history, geography, civics, and character education, including literacy standards that engage students in text-based writing and research as well as collaborative discussions to encourage confidence and self-expression. Literacy will incorporate high quality text focused on phonemic awareness, phonics, fluency, vocabulary, comprehension and writing in support of content learning. The goal of this program is to promote enthusiasm for learning and equip students with essential skills for academic success.	
Eligibility Criteria	
K-5 Students with substantial deficits in reading and math as determined by available data (ex. FAST, iReady, PMTs, etc.) and teachers' professional judgement.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/4/2024-6/6/2024
First Student Day: 6/10/2024	Last Student Day: 7/11/2024
Student Hours: 8:00 a.m.-12:30 p.m.	Teacher Hours: 7:30 a.m.-1:30 p.m.

Migrant School Readiness Summer Learning

Program Description	
This readiness program for Pre-K migrant students will orient students to procedures and routines within the school setting and strengthen foundational phonemic awareness and phonics skills.	
Eligibility Criteria	
Pre-K migrant program students who will be five years old by September 1, 2024, and have a valid Qualified Arrival Date (QAD).	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/4/2024 - 6/6/2024
First Student Day: 6/10/2024	Last Student Day: 7/11/2024
Student Hours: 7:45 a.m.-5:30 p.m.	Teacher Hours: 7:30 a.m.-5:45 p.m.
Contact Information	
Carol Mayo, Supervisor, Migrant Programs, carol.mayo@hcps.net	

Dual Language Success Camp

Program Description	
The Dual Language Success Camp is designed to develop the readiness skills, self-confidence, and social emotional skills critical for success in a rigorous bilingual learning environment. Students will be provided creative and engaging opportunities for academic learning through a literacy and STEM-based curriculum.	
Eligibility Criteria	
Incoming kindergarten and rising first grade students who are enrolled in a dual language program.	
Dates and Hours	
Teacher Training: 07/09/2024	Teacher Preplanning: 7/10/2024 – 7/11/2024
First Student Day: 7/15/2024	Last Student Day: 7/18/2024
Student Hours: 8:00 a.m.-12:00 p.m.	Teacher Hours: 7:30 a.m.-12:30 p.m.
Contact Information	
Melissa Morgado, Director, Programs for Multilingual Learners K-12, melissa.morgado@hcps.net	

Camp SPIN (Summer Program International Newcomers)

Program Description	
The camp will provide language acquisition and acculturation opportunities aligned with the B.E.S.T. Standards, with a focus on the four domains of language acquisition: Reading, Listening, Writing and Speaking. The program will feature a weekly “in-house” fieldtrip focused on curriculum enrichment and as well as provide additional experiences for our students to acquire vocabulary. The students will also participate in an educational field trip that will take place the last week of camp to expose them to engaging educational experiences.	
Eligibility Criteria	
Immigrant students in 1st to 5th grade that have been enrolled in United States, (DEUSS DATE), schools for less than a year, who are not required to participate in other academic summer program such as reading or math camps.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/05/2024 – 6/06/2024
First Student Day: 6/10/2024	Last Student Day: 6/27/2024
Student Hours: 8:00 a.m.-12:30 p.m.	Teacher Hours: 7:30 a.m.-1:30 p.m.
Contact Information	
Cristina Fernandez, Supervisor, Migrant Immigrant, cristina.fernandez@hcps.net	

Bridge to Biliteracy-Viaje al Mundo Camp

Program Description	
Bridge to Biliteracy-Viaje al Mundo Camp is designed to develop the readiness skills, self-confidence and social emotional skills critical for success in a rigorous bilingual learning environment. Students will be provided creative and engaging opportunities for academic learning through a literacy and STEM-based curriculum.	
Eligibility Criteria	
Incoming kindergarten students who are enrolled in a Bridge to Biliteracy Program.	
Dates and Hours	
Teacher Training: 7/09/2024	Teacher Preplanning: 7/10/2024 – 7/11/2024
First Student Day: 7/15/2024	Last Student Day: 7/18/2024
Student Hours: 8:00 a.m.-12:00 p.m.	Teacher Hours: 7:30 a.m.-12:30 p.m.
Contact Information	
Melissa Morgado, Director, Programs for Multilingual Learners K-12, melissa.morgado@hcps.net	

Exploring World Languages Camp

Program Description	
Exploring World Languages Summer Camp is designed to allow students to explore Spanish, French and ASL in a fun and hands-on approach. Students will be provided creative and engaging opportunities for Language learning through a literacy and music. This camp will launch a yearlong Language Learning program for participants.	
Eligibility Criteria	
Rising First through rising Fifth grade students who are enrolled in at select Military Connected schools.	
Dates and Hours	
Teacher Training: Included in Preplanning	Teacher Preplanning: 6/4/2024 – 6/6/2024
First Student Day: 6/10/2024	Last Student Day: 7/11/2024
Student Hours: 8:00 a.m.-12:30 p.m.	Teacher Hours: 7:30 a.m.-1:30 p.m.
Contact Information	
Melissa Morgado, Director, Programs for Multilingual Learners K-12, melissa.morgado@hcps.net	

Migrant Camp Invention-Community Based Program

Program Description	
This program will provide enrichment activities for migrant students using Camp Invention materials.	
Eligibility Criteria	
Migrant program students in grades K-6 who are not participating in other district programs.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/11/2024 - 6/12/2024
First Student Day: 6/17/2024	Last Student Day: 7/03/2024
Student Hours: 1:30 p.m.-5:00 p.m.	Teacher Hours: 1:00 p.m.-5:30 p.m.
Contact Information	
Carol Mayo, Supervisor, Migrant Programs, carol.mayo@hcps.net	

Enrichment Summer Scholars Program (ESSP)

Program Description	
This enrichment program provides a four-day intensive academic experience with a grade level theme for Gifted students and identified high-achieving students who have completed 3rd, 4th, and 5th grade. Each grade level experience incorporates technology through the use of student problem-solving and product development.	
Eligibility Criteria	
Students completing third, fourth or fifth grade who are identified as Gifted or as high achieving based on district data.	
Dates and Hours	
Teacher Training: 5/13/2024	Teacher Preplanning: 5/30/2024
First Student Day: 6/03/2024	Last Student Day: 6/13/2024
Student Hours: 8:30 a.m.-2:30 p.m.	Teacher Hours: 8:00 a.m.-3:00 p.m.
Contact Information	
Jennifer West, Supervisor, Gifted K-12, jennifer.west@hcps.net	

Nature's Classroom Water Adventure Camp

Program Description	
This enrichment camp, sponsored by SWFWMD, will be offered multiple weeks in June for rising fourth through eighth grade students. These outdoor camps will provide an opportunity for exploratory learning in an authentic environment. Water activities will include shoreline sampling and a field trip to Crystal Springs Preserve. There is no swimming in this camp.	
Registration and information will be found at hillsboroughschools.org/naturesclassroom	
Eligibility Criteria	
Rising fourth through fifth grade students.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 5/29/2024
First Student Day: Session 1 6/3 - 6/6/2024 Session 2 6/10 - 6/13/2024 Session 3 6/17 - 6/20/2024 Session 4 6/24 - 6/27/2024	Last Student Day: Session 1: 6/6/2024 Session 2: 6/13/2024 Session 3: 6/20/2024 Session 4: 6/27/2024

Nature's Classroom Fee-based Camps

Program Description	
Nature's Classroom will offer multiple fee-based enrichment camps throughout June for rising first through eighth grade students. These outdoor camps will provide an opportunity for exploratory learning in an authentic environment. Grade specific camp themes will include Early Explores, Young Naturalist, Outdoor Skill, Survival, Wilderness, Nature Art and Archery.	
Registration and information will be found at hillsboroughschools.org/naturesclassroom	
Eligibility Criteria	
Rising first through fifth grade students.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 5/29/2024
First Student Day: Session 1 6/3 - 6/6/2024 Session 2 6/10 - 6/13/2024 Session 3 6/17 - 6/20/2024 Session 4 6/24 - 6/27/2024	Last Student Day: Session 1: 6/6/2024 Session 2: 6/13/2024 Session 3: 6/20/2024 Session 4: 6/27/2024

Hillsborough Out-of-School Time Program (HOST) Elementary

Program Description	
HOST is a fee-based, enrichment program that is structured to provide engaging activities, student safety and affordability. Students will have the opportunity to learn new skills and make new friends while participating in theme-based learning, indoor and outdoor games, field trips and more throughout the summer. Programs are carefully planned to ensure that students are supervised by well-qualified and well-trained staff. Students enrolled in a district summer learning program may utilize the fee-based HOST before and/or after-care services. HOST accepts School Readiness funding. For additional information, including fees and registration, please refer to the HOST website or call the administrative office.	
For more information, please refer to the HOST website at: https://www.hillsboroughschools.org/Domain/2453 or contact the HOST administrative office at 813-744-8941.	
Eligibility Criteria	
Elementary and K-8 students actively enrolled in Hillsborough County Public Schools (HCPS) who have completed kindergarten and are able to safely participate in large group activities.	
Dates and Hours	
Teacher Training: NA	Teacher Preplanning: NA
First Student Day: 5/28/2024	Last Student Day: 8/8/2024

Middle School Programs

Algebra Booster

Program Description	
This program is designed for rising 8th graders who are scheduled to take Algebra in the 24-25 school year. In this program, students will have the opportunity to explore mathematical concepts through hands-on, collaborative learning activities that will better prepare them for Algebra. The goal of the Algebra Booster program is to give students a strong foundation of the prerequisite skills needed for taking Algebra 1, a high school credit course, during their 8th grade year.	
Eligibility Criteria	
Rising 8th grade students projected to take Algebra in the 2024-2025 school year.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/5/2024-6/6/2024
First Student Day: Session 1 - 6/10/2024 Session 2 – 6/24/2024	Last Student Day: Session 1 – 6/20/2024 Session 2 – 7/11/2024
Student Hours: 9:30 a.m.-1:30 p.m.	Teacher Hours: 9:15 a.m.-1:45 p.m.
Contact Information	
Elise Tanner, Supervisor, 6-8 Math, elise.tanner@hcps.net	

Algebra EOC Prep Course

Program Description	
This program is designed to prepare students to retake the Algebra 1 EOC exam. Students will be enrolled in a self-paced, non-credit Edgenuity course and may access the course remotely, 24/7. In this modified blended learning model, a math teacher will provide remote support as needed and will be scheduled to meet with students weekly to provide live instruction. To meet the high school graduation benchmark, students must earn a Level 3 or higher on the Algebra 1 EOC. The EOC retake will be administered at open summer sites the week of July 15 -18, 2024.	
Eligibility Criteria	
Middle school students who were enrolled in an Algebra 1 course and have not yet demonstrated proficiency.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/5/2024-6/6/2024
First Student Day: 6/10/2024	Last Student Day: 7/11/2024
Student Hours: 9:30 a.m.-1:30 p.m.	Teacher Hours: 9:15 a.m.-1:45 p.m.
Contact Information	
Elise Tanner, Supervisor, 6-8 Math, elise.tanner@hcps.net	

Grade Enhancement

Program Description	
This program provides an opportunity for students to enhance a failing quarter grade for a middle school course required for promotion. Students will be enrolled in a self-paced, Edgenuity course that corresponds to the failing grade. Upon successful completion of the course, students will earn a passing grade that will count toward the semester average.	
Eligibility Criteria	
Students who need to enhance a quarter grade for a middle school core course that is required for promotion.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/5/2024 - 6/6/2024
First Student Day: 6/10/2024	Last Student Day: 7/11/2024
Student Hours: 9:30 a.m.-1:30 p.m.	Teacher Hours: 9:15 a.m.-1:45 p.m.
Contact Information	
Allison Edgecomb, Supervisor, Middle School Generalist, allison.edgecomb@hcps.net	

Student Trajectory Enhancement Program (STEP)

Program Description	
The Student Trajectory Enhancement Program (STEP) provides a pathway for students who have been previously retained and have successfully completed sixth grade to accelerate grade placement. Students who successfully complete the program will be promoted to eighth grade within HCPS.	
Eligibility Criteria	
Rising seventh grade students who were previously retained and have successfully completed sixth grade.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 6/5/2024-6/6/2024
First Student Day: 6/10/2024	Last Student Day: 7/11/2024
Student Hours: 9:30 a.m.-1:30 p.m.	Teacher Hours: 9:15 a.m.-1:45 p.m.
Contact Information	
Allison Edgecomb, Supervisor, Middle School Generalist, allison.edgecomb@hcps.net	

Sixth Grade Summer Bridge Camp

Program Description	
This FREE two-day bridge program provides an opportunity for rising sixth grade students to get a sneak peek of the middle school program. Students will learn how to navigate the school campus, become familiar with school expectations and procedures, meet staff members and peers, participate in team building activities and build confidence as a new middle school student. Schools will provide program details with site specific dates and times.	
Eligibility Criteria	
Rising sixth grade students.	
Dates and Hours	
Teacher Training: NA	Teacher Preplanning: NA
First Student Day: Two Days Per Site Calendar July 8-25th (alternate dates may be approved on a case-by-case basis including a one day Saturday option)	Last Student Day: Based on site calendar
Student Hours: 8:00 a.m.-12:00 p.m.	Teacher Hours: 7:30 a.m.-12:30 p.m.
Contact Information	
Jazheel Lenegar Brown, Executive Director, Instructional Support, jazheel.lenegar@hcps.net	

Seventh & Eighth Grade Summer Bridge Camp

Program Description	
This FREE two-day bridge program provides an opportunity for rising 7th and 8th grade students impacted by boundary changes to get a sneak peek of the middle school programs at their new school site. Students will learn how to navigate the school campus, become familiar with school expectations and procedures, meet staff members and peers, participate in team building activities. Schools will provide program details with site specific dates and times.	
Eligibility Criteria	
Rising seventh and eighth grade students at selected middle school sites.	
Dates and Hours	
Teacher Training: NA	Teacher Preplanning: NA
First Student Day: Two Days Per Site Calendar July 8-25th (alternate dates may be approved on a case-by-case basis including a one day Saturday option)	Last Student Day: Based on site calendar

Civics Summer Camp

Program Description	
The Civics Camp will provide Civics instruction and interventions aligned to the Florida State Standards, with a specific focus on meeting the Civics Standards. The program will feature a weekly theme to cultivate interest as students work toward mastering Florida State Standards. The weekly Civics themes will focus on areas like structure of government, rule of law, and civic engagement. Students will have the opportunity to attend field trips during the camp to enhance their learning and experience first-hand the working of government, and the processes of law and elections. Learning activities will include debate, interaction with guest speakers, and simulations like mock trials.	
Eligibility Criteria	
Rising 7th grade students that will be scheduled into a Civics course in 7th grade and who are not participating in other district summer academic programs.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 06/03/2024-06/06/2024

Martha Ford, Supervisor, 6-8 Social Studies, martha.ford@hcps.net	

STEM Summer Mini Camp

Program Description	
The Middle School STEM Summer Mini-Camps will provide STEM instruction and interventions that are aligned to the Florida State Standards, with a specific focus on meeting the Nature of Science Standards and associated content standards. The program will feature 3 different mini-camps with themes to cultivate interest as students work toward mastering Florida State Standards. The themes for these 2-week camps are (1) Rocketry and Drones, (2) Robotics and (3) STEM Inventions. Students will have the opportunity to attend 2 field trips during the period of the camp, which will enhance student learning. Students must register for each mini-camp separately.	
Eligibility Criteria	
Rising 6th grade students, as well as existing 7th and 8th grade students who score below a Level 3 on math and/or science state assessments or students who belong to an underrepresented group in the STEM fields (students of color, low-income students, and female students) who are not participating in other district programs.	
Dates and Hours

Mission: Tampa Bay

Program Description	
The world is filled with millions of questions that have yet to be answered. This camp, hosted at The Florida Aquarium and MOSI, is the first step to building and using a toolkit that will explore Earth's last frontier - the deep ocean. This five-day immersion program places STEMitists (girls, incoming 6th-8th grades) into teams where together they will plan, prepare and execute their own unique investigation to find out what might be plaguing Tampa Bay. The camp will start and end on the water where students will use various scientific tools to help them on their journey to solving real-world problems. Girls from the DoDEA Grant schools <u>will be invited</u> to participate in this unique camp based on grant elements.	
Eligibility Criteria	
This camp is by invitation and teacher recommendation only. Students who are entering 6th-8th grades in one of the DoDEA Grant schools and who are female will be given the opportunity to participate.	
Dates and Hours	
Teacher Training: NA	Teacher Preplanning: NA
First Student Day: 6/10/2024	Last Student Day: 6/14/2024

STEM Summer Camp

Program Description	
The 5-Week Middle School STEM Summer Camp will provide STEM instruction and interventions that are aligned to the Florida State Standards, with a specific focus on meeting the Nature of Science Standards and associated content standards. The program will feature a weekly theme to cultivate interest as students work toward mastering Florida State Standards. The weekly STEM themes will focus on the areas of robotics, drones, rocketry, and computer science/coding. Students will have the opportunity to attend 4 field trips during the period of the camp that will enhance student learning.	
Eligibility Criteria	
Rising 6th grade students, as well as existing 7th and 8th grade students who score below a Level 3 on math and/or science state assessments or belong to an underrepresented group in the STEM fields (students of color, low-income students, and female students) who are not participating in other district programs.	
Dates and Hours	
Teacher Training: Included with Preplanning	Teacher Preplanning: 06/03/2024-06/06/2024
First Student Day: 6/10/2024	Last Student Day: 7/11/2024
Student Hours: 9:30 a.m.-1:30 p.m.	Teacher Hours: 8:30 a.m.- 2:00 p.m.

Bold = Open SLP MS Site, * = Middle Schools closed due to Construction. GE = Grade Enhancement, BGC = Boys & Girls Club

Program locations may change based on enrollment and/or student needs. Locations of additional program offerings will be determined upon approval of summer sites, with consultation of program supervisors and pending review of summer construction.

Eligible students will receive an **SLP notification letter** confirming specific program details **including dates, times, and the assigned school.**

Students with disabilities attending an ESE summer learning program will be assigned to a school by district staff based on the student's summer address. The high school attendance boundary is used to determine the summer site for middle and high school students participating in the ESE program. Parents will receive a letter confirming the assigned site and program details.
